His Sight Threatened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison of his hands into his eyes and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits. W. E. Pelham & Son.

To Teach at Fairfax.

Miss Annie Riser, of this city, has been elected a teacher in the Fairfax graded school for the ensuing term, and has accepted the position. Miss Riser graduated from Newberry College in the class of 1901, and since that time has been engaged in teaching. She is a very successful teacher, and we congratulate Fairfax upon securing her services.

It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Riser expels all poison from the system and acts as a tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Riser with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. W. E. Pelham & Son.

Delegation For Johnstone.

Messrs. M. L. B. Sturkey and J. P. Jennings headed a delegation of voters for Abbeville, last Thursday evening—buggies and wagons were called into requisition—all fully surcharged with the one most important object—that of swelling the ranks of Johnstone voters. The ride was long, rough and dusty, but the boys mean business and will put George in the Senate, if hard work will do it.—McCormick Meisenger.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. W. E. Pelham & Son.

Sent to the Gang.

Magistrate Chappell sent to the chain-gang for 30 days on the 16th, Jim Smith, charged with injuring property by throwing a rock through window glass of a house belonging to Mr. Huff. The same day he sent Ed Boyd to the gang for 30 days for violating contract, and on the 18th he sent John Kelly to the gang for 30 days for petit larceny, also Gus Guyhon for 30 days for violating contract, also Will Moore for 30 days for petit larceny. The sentence in each case was \$30 or 30 days, and each man took the days and is pecking rock for the county.

A SUNDAY SCHOOL PICNIC.

The O'Neill Street Sunday School Enjoys a Day's Outing at Ebenezer.

The O'Neill Street Methodist Sunday School on Friday with their friends enjoyed themselves at Ebenezer beyond measure.

It is estimated that there were between three and four hundred people present, and the picnic dinner served was an excellent one and bountiful.

The day was spent by the children in playing games of amusement, and all were delighted.

Addresses suitable to the occasion were made by Messrs. J. H. Chappell, C. B. Tidwell, J. H. Hair, E. C. Jones and Theo. Danielson. Recitations and songs by the children were also enjoyed.

All Were Saved.

"For years I suffered such untold misery from Brouchitis," writes J. H. Johnston of Broughton, Ga., "that often I was unable to work. Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for Consumption. My wife suffered intensely from Asthma, till it cured her, and all our experience goes to show it is the best Croup medicine in the world." A trial will convince you it's unrivaled for Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at all druggists.

The Newberry Excursion.

Yesterday afternoon at 2 o'clock the excursion from Newberry reached the city. There were six coaches well filled with negroes and one coach comfortably filled with whites. The excursionists were very much in evidence after their arrival until the waning, waning hour last night.

The street car was the most fetching fascination for the negroes. Those who were not literally carried away, would stand on the street corners and gaze in mute astonishment at the trolley. The negroes visited all parts of the city, and as a rule were quiet, orderly and well behaved. The excursionists left the city last night at 12 o'clock for Newberry. At last accounts no deaths had occurred.—Spartanburg Herald, 16th.

Look Pleasant, Please.

Photographer C. C. Harlan, of Eaton, O., can do so now, though for years he couldn't because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him till he tried Electric Bitters, which worked such wonders for him that he declares they are a godsend to sufferers from dyspepsia and stomach troubles. Unrivaled for diseases of the Stomach, Liver and Kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by all druggists.

One day last week a negro living on the Luther Aull's old mill place near Jolly Street, killed in the creek near the house, an alligator three feet long.

The negro saw the tracks and thought it was the tracks of a turtle, followed the tracks and found an alligator in a hole at the stream. The negro shot at the gator and that enraged the animal, and it untook to fight. The negro succeeded in killing it with a stick.

Wesport two very pleasant nights in the Silver Street community last week.

Wednesday night with the hospitable family of Mr. R. M. Werts and Thursday night with Mr. Madison Pitts.

This is a fine community to live in, and good land too. Mr. R. M. Werts has some fine land for sale, just eight miles Newberry court house.

A little farther up we passed some fine farms—that of Messrs. John Hipp, Henry Fellers and others. They have good crops in this section.

Mr. Thaddeus Kinard has been elected cotton weigher at Bomaria.

Some of our farmers are making a supply of fine molasses for family use.

We had the pleasure recently of a visit from our good friend, T. J. W. Come again we always enjoy your company.

Mr. L. I. Epling, agent for the Farmers' Mutual Insurance Association of Newberry County. Will write your risks against fire, wind and lightning. Address him at Sligh's, S. C., for particulars.

The St. Paul's children's day will be on the 28th of this month; everybody has a hearty welcome. Mr. J. D. Sheely has been elected delegate to conference at Mt. Olivet 29th to 31st instant. L. I. Epling is his alternate.

FOOD ADULTERATION.

"In a pure food case that was taken up from Philadelphia to the Supreme court of Pennsylvania," says Public Policy, "the plea was made that the law is not violated unless the quantity of foreign substance on a food staple is sufficient to injure health." The Supreme court decision is that any poisonous ingredient, whether in quantity to injure health or not, is a violation of the statute. The cry goes up that this "will affect 20 per cent of the stock of the average dealer." If one-fifth of the merchandise sold for food contains poisonous ingredients, there is a startling necessity for the active measures. The stupid plea that the poison is not enough in any one article to hurt the consumer indicates that the venders never give enough thought to any aspect of the question but the pursuit of the nimble dime and nickel to learn the effect of the cumulative poisoning. Certainly when we hear from the trade itself that the practice of mixing poison in food has attained a 20 per cent prevalence, aimed with the most vigor at the manufacturers of such articles."

"In view of the above, had you not better buy 'Clifton' flour, a flour guaranteed pure by the Anti-Adulteration League?" BRANSFORD MILLS, Owensboro, Ky.
